

Information for Colorado Prescribers of Prescription Drugs

- The information contained in this notice is being provided to Colorado prescribers pursuant to Colorado law. This document contains the wholesale acquisition cost (“WAC”) of a prescription drug marketed by Jazz Pharmaceuticals (“Jazz”) in Colorado and the name of ten generic prescription drugs for the same therapeutic areas as Jazz’s marketed product.
- The price listed below is a WAC price, which represents Jazz’s published list price for the product sold to wholesalers. Please note that the WAC price listed below may differ significantly from actual prices paid by customers and consumers. In addition, a product’s WAC is typically not associated with per-dose pricing.
- The prices listed here do not necessarily reflect price per dosage, price per course of treatment or the cost effectiveness of all the products listed.
